- **Style:** Strong Red Ale
- **Alcohol Content:** 8.5%ABV
- **Country:** France

Gavroche is a character in Victor Hugo's 19th century novel, "Les Misérables"— a rebellious yet always generous little urchin, living by his wits on the streets of Paris.

Gavroche is a strong, red beer, in which the deep malt flavour and brisk hoppiness are very well balanced ; and the whole is

gracefully accentuated by fruity flavours derived from a special top-fermenting yeast. This is a rare French example an ale refermented in the bottle.

Gavroche must be served with care (leaving behind the fine yeast sediment) at about 10°C.

Available in 330ml bottles.
