- **Style:** Oatmeal Stout
- **Alcohol Content:** 5.0%ABV
- **Country:** England

Brewed with well water (the original well at the Old Brewery, sunk in 1758, is still in use, with the hard well water being drawn from 85 feet underground); fermented in 'stone Yorkshire

squares' to create an almost opaque, wonderfully silky and smooth textured ale with a complex medium dry palate and bittersweet finish.

Best served at about 55°F (13°C).
